

IGNOU Assignment Submission Last Date Sheet

IGNOU assignments must be submitted **before the prescribed deadline** to be eligible for the Term-End Examination (TEE). Submitting assignments after the last date may result in **delay in result declaration or exam ineligibility**.

Assignments are generally released **session-wise** (January and July), and submission deadlines are linked to the **June and December TEE cycles**.

IGNOU Assignment Submission Last Dates (Session-Wise)

January Session (For June TEE)

- **Assignment Release:** January–February
 - **Last Date for Submission:** **30 April** *verify each year*
 - **Applicable For:**
 - January session fresh admissions
 - Students appearing in **June Term-End Examination**
-

July Session (For December TEE)

- **Assignment Release:** July–August
 - **Last Date for Submission:** **31 October** *verify each year*
 - **Applicable For:**
 - July session fresh admissions
 - Students appearing in **December Term-End Examination**
-

Important Notes for Students

- Assignment submission is **mandatory** for appearing in the TEE
 - Assignments carry **30% weightage** in the final result
 - Submit assignments **only for the current academic session**
 - Always check course code, programme code, and session before submission
-

Mode of Assignment Submission

Depending on instructions from IGNOU and the Regional Centre, assignments may be submitted through:

- **Offline submission** at the allotted Study Centre
- **Online submission** (only if officially announced for the course)

Students must follow the **method specified by IGNOU** for their programme.

Assignment Acknowledgement Slip (Very Important)

- Always collect the **assignment acknowledgement receipt** after submission
 - Keep it safe until marks are updated
 - It is required in case of **assignment status or marks issues**
-

When Are Assignment Marks Updated?

- Assignment marks are usually updated **within 30–45 days** after submission
 - Marks can be checked online through the **IGNOU Assignment Status / Grade Card portal**
 - Delays may occur due to evaluation workload at study centres
-

What Happens If You Miss the Last Date?

If the assignment submission deadline is missed:

- You may not be allowed to appear in the upcoming TEE
- You may need to submit assignments in the **next session**
- Result declaration may be delayed

Therefore, students are strongly advised to submit assignments **well before the last date**.

Final Reminder for IGNOU Students

- Do not wait for the last day
- Submit assignments early to avoid technical or centre-related issues
- Always verify deadlines from official IGNOU notifications

For updated and course-wise information, students should regularly check official IGNOU announcements or trusted academic support platforms.
