

# IGNOU Project First Page Template

October 2026. Fill-in front page built from the particulars the June 2026 online project portal asked for. Use your course booklet if it prints its own cover format. Checked against IGNOU documents read in October 2026: the July 2026 Common Prospectus, the June 2026 online project portal page, the December 2026 SED fee notice and the MMPP-001, BMPP-001, MLIS (MLIP-002) and MCSP-232 project guidelines. Prepared with AI-assisted drafting; published by BK Sahni under his editorial responsibility. Your own course booklet and session notice always decide.

|---------------------------------------|---------|
| Title (same words as on the proforma) |         |
| Name and enrolment number             |         |
| Programme code and course code        |         |
| Regional Centre and study centre      |         |
| Name of the guide                     |         |

Keep the title identical on the synopsis front page, the proforma and the final report: the MMPP-001 guidelines require the final report to carry the title approved by the evaluator.
